Are you a clinician, service provider or educator with experience of working with youth with disabilities?

Consider participating in a study to share your recommendations about addressing disability and racial discrimination and suggestions to enhance inclusion.

What is this study about?

We would like to hear your recommendations for solutions to address disability discrimination and ways that we can enhance the inclusion of young people with disabilities.

Who can participate?

We are looking for:

- Clinician, or service provider, or educator with at least 1 year of experience in working with children, youth or young adults with disabilities
- Able to read/write in English (or with the help of an interpreter, can be provided upon request)

What's involved?

- A 1-hour interview (via zoom or in-person)

Potential Benefits?

- There are no direct benefits of participating, but it may help us to learn about we can address discrimination and enhance inclusion of young people with disabilities

Participants will receive a gift card as a token of appreciation to thank them for their time.
